2. Admissions Policy

Thank you for your interest in applying for a place at a school within the Pontefract Region of Ark Schools.

Ark Schools is a Multi-Academy Trust and is the admissions authority for all academies in the Ark network, including the Pontefract Region.

Ark Schools, in accordance with its funding agreement, is responsible for the admissions policy of each school and co-ordinates with the relevant Local Authority for the administration of admissions applications. For the Pontefract Region of Ark Schools, the relevant Local Authority is Wakefield Council.

Ark Schools is required by its funding agreement to comply with the School Admissions Code and the law relating to admissions, though the Secretary of State, has the power to vary this requirement where there is demonstrable need. The purpose of the School Admissions Code is to ensure that all school places are allocated and offered in an open and fair way. The School Admissions Code has the force of law and includes a requirement to comply with associated regulations and legislation attached within it.

Ark Schools have agreed that the Pontefract Region of Ark Schools will follow the Wakefield Metropolitan District Council Admissions Policy in managing its admission arrangements to ensure that the allocation of school places remains fair, clear and objective. This should enable parents and carers to understand easily how places for each school will be allocated. The Wakefield Council Admissions Policy can be found on the following link:
